

## Mission

The Poetry In The Light Mission is to be a unit hand picked by God that goes beyond the walls of the church building. Our way of reaching out to the nation is by utilizing our God given gifts, talents and abilities. Using various art forms to speak Spoken Words of life, restoration, deliverance, and salvation, while continuing to exemplify a reflection of light through the teachings of Jesus Christ.

## Vision

Our vision embraces our mission by giving us the ability to see far beyond our starting points of faith and into the manifested Glory of the Lord. We not only invest in hope, but also in the dreams and ambitions of each member of our organization. We embrace everyone's ideas in relationship with their area of strength and anointing. Each member strives to invest in work by being co-laborers of one another in love, faith and in action with deeds to reach our desired goals.

Habakkuk 2:2

And the LORD answered me, and said, Write the vision, and make it plain upon tables, that he may run that readeth it:

*"I knew God had something special in store for poetry and arts of it's kind when my wife and I were sitting inside of "Spirit Square - McGlohon Theater" in Charlotte NC, and God gave me a vision of having an event there before Poetry In The Light was started or formed. Three years later Poetry In The Light Tour recorded our DVD in that same location.*

*I further pursued my acts of Faith when my wife and I attended Mega-Fest the first year it began as we both saw how The Poetry In The Light Tour could be an effective part of the activities and events that take place over the four day Christian festival in Atlanta GA. While walking around and enjoying ourselves at Mega-Fest, we saw the perfect place to hold a "Poetry In The Light" event inside of the World Conference Center in Atlanta GA. We prayed and laid hands on that location and now we are just waiting with patience to see our vision come to pass..."*

*“I knew when I first walked into the Ark Restaurant and Event center back in March 2004 that it marked the beginning of a mission for which I was chosen for. Once seeing the facility, God showed me the vision of Poetry In The light opening to a sold out crowd. This peculiar looking facility which is formed, shaped and emulates an Ark has many components.*

*On July 17 Poetry In The Light opened to a sold out crowd I remember just before the events started, the organization came together for prayer. We were holding hands in one of the peculiar rooms of the ark, which I now call the Manifestation Prayer Room. It was there the vision became clear and literally came to life. It was then I saw the vision of Poetry In The Light ministering at Mega-Fest. It was then Duane and I shared 20/20 spiritual vision*

*. It was then God allowed me to see what was and is to come. I saw souls being saved. I saw words being digested and spiritual bellies being filled. I saw tears being shed. I saw men releasing emotions. I saw another level of worship. I saw Poetry In the light ministering in front of thousands of people. Finally, I saw a couple standing in front of their television set with their hands raised calling on Jesus after hearing “ The True Spoken Word”.*
